

Krypton Maze

Outdoor Team Events

Team Focus: Leadership
Planning
Team work

Numbers: 20 – 200 participants

Location: Outdoors

Times: 2 to 3 hours

The Objectives:

- Leadership
- Communication
- The value of group effort
- Create common team language
- Encourage sharing of information

“ The sole aim of the Krypton Maze is to defeat your opponents on the challenges set before you and accrue the most victories.”

Overview:

This fun team building event is made from puzzling, challenging and mind boggling activities which have similar formats to activities from The Krypton Factor and The Crystal Maze, both of which are undeniably brilliant shows with great games. The aim of the event is for you and your team to experience these great activities and to compete against your colleagues in the challenges set before you..

Your group of 20 people approx will be split into 4 teams to compete on up to 12 challenges. Two teams will go head to head on each of the challenges for approximately 10/15 minutes. Once the challenge has been completed and the results ascertained teams will rotate to another game where they will face a fresh challenge.

Venue

We operate nationwide and will bring the Krypton Maze event to your chosen venue or recommend a venue to suit you. Activities can take place indoors and/or outdoors

Results:

The event has many different aspects for the teams to conquer; communication, skill, team interaction, problem solving ability and personal awareness are to name but a few.
