Overview:

All of the Medieval themed activities are highly interactive, allowing you to don traditional dress and really feel what it was like to be a knight for the day!

The event is fully themed and on arrival each team will choose their camp...will you be battling for Sir Gareth, Sir Gawain or Sir Galahad?

How it works:

Choose from building a trebuchet, knights jousting practice, longbow archery and drag the boar to the kitchen then join in the ultimate battle of the champions with our exhilarating finale activities; Storm the Castle, the Battle of Agincourt and Battle of Champions

Venue:

We operate nationwide and will bring the Medieval Challenge to your chosen venue or recommend a venue to suit you. This activity works perfectly in the grounds of a castle or stately home.

Results:

The team accumulating most points from each of the activities will win the team event and the individual gaining the most strikes in the jousting competition finale will become the Knight of the Day!
